Tartar Truffles

Inter alia I have etwas för dig
Trüffel à la Tartare
Moi think: Tatars levde benissimo
ilman metsän porcini
dug out by porcellini

Checkin Chicken

Passport zeig five gångers
bara män wird tarkistettu

Кокошка, червей
Pull push circle pick knock vanish
хүн hides алтан Ei?

frau voi tout schmuggeln

Differ

- Я не думаю crime - an apostasis
Das land the სსსახლე sasakhle palaces
är наше
Nothing fel in annex und zusatzämnen!
- You blir bara vergiftet ja kuolet hitaasti
Пада сняг on the wegdiken в канавката
Keiner вижда traces
kun katsoo siempre taivaseen

Tartar Truffles

By the way I have something for you
Truffles à la Tartar
I think: Tatars lived very well
without the mushrooms of the forest
dug out by the pigs

Check-in Chicken

Show passport five times
only men are controlled

A hen, worms
Pull push circle pick knock vanish
is the man hiding the golden egg?

a woman can smuggle anything

Differ

- I don't think about crime - an apostasy
The country, the palaces
belong to us
There is nothing wrong with annexing and food additives!
- You only get poisoned and die slowly
Snow falls on the dikes and ditches
Those who always watch the sky
never see the traces
